EXPERIENCE

Resident Assistant (RA) | East Stroudsburg University | East Stroudsburg, PA | 2025 - Present

- Supported a residential student community, addressed resident concerns, and served as a primary point of contact for university resources.
- Responded to on-call situations, residential incidents, lockouts, and policy concerns while following university procedures.
- Planned community programs and collaborated with Residence Life staff, strengthening leadership, communication, crisis-response, and problem-solving skills.

IT & Communications Volunteer | Municipalidad Distrital de Alto Selva Alegre | Arequipa, Peru | Summer 2026

- Provided technical support and troubleshooting for hardware, software, network connectivity, and end-user issues across municipal departments.
- Installed and configured LAN infrastructure, Windows workstations, antivirus software, backups, printers, and essential applications.
- Provided remote technical support through VPN and assisted users with Internet and network connectivity.
- Assisted with software supporting the municipality's dog registration system and technology used during municipal field events.
- Published official regulations and documents on Peru's Gob.pe government platform.
- Delivered a virtual training session on Artificial Intelligence and its practical applications for municipal employees.

Student Assistant | East Stroudsburg University Museum | East Stroudsburg, PA | Aug 2024 - Apr 2026 · 1 yr 9 mos

- Assisted students, visitors, faculty, and staff with inquiries and day-to-day needs in a welcoming campus environment.
- Supported event setups, visitor materials, records organization, and general administrative and office operations.
- Helped maintain organized public spaces and provided reliable customer service to a diverse university community.

Lifeguard | Kalahari Resorts | Pocono Manor, PA | Dec 2019 - Mar 2020; Dec 2022 - Jan 2023

- Enforced facility policies, assisted guests, and maintained a safe and organized high-volume resort environment.
- Maintained First Aid and CPR proficiency and collaborated with staff to respond effectively to safety incidents.

Administrative & Customer Service Assistant | Apuesta Total | Arequipa, Peru | Jun 2022 - Nov 2022

- Provided customer service, answered inquiries, resolved routine concerns, and supported daily branch operations.
- Handled cash transactions, data entry, reports, inventory, and accurate operational records.
- Assisted with opening and closing procedures, workplace organization, and supervision of daily activities.

Process Control Intern | Cerro Verde S.A.A. | Arequipa, Peru | Jan 2022 - Apr 2022

- Supported process automation and optimization within large-scale copper mining operations.
- Used PI Vision to monitor and analyze real-time industrial data trends, supporting data-driven operational decisions.
- Assisted in troubleshooting process control issues to improve equipment performance and minimize operational downtime.
- Developed practical experience with industrial automation systems, process monitoring, and large-scale production environments.

Electromechanical Maintenance Technician | Prodis S.R.L. | Arequipa, Peru | Jun 2021 - Dec 2021

- Diagnosed and troubleshoot electrical, mechanical, and pneumatic equipment issues to identify failures and determine corrective actions.
- Performed preventive, predictive, and corrective maintenance to improve equipment reliability and minimize operational downtime.
- Inspected and tested industrial machinery, electrical components, and control systems to identify defects and potential failures.
- Collaborated with engineering teams on machinery modifications, repairs, and equipment upgrades to improve reliability and productivity.
- Applied technical problem-solving and safety procedures while working with industrial equipment in operational environments.
